

The Rise School of San Antonio After School Caregiver

About The Rise School: The Rise School's mission is to provide the highest quality early childhood education for all children—gifted, traditional, and developmental delayed—in an inclusive setting, where individualized learning techniques enable every child to achieve his or her maximum potential. Therapies—speech, physical, occupational and music—are integrated into the daily learning environment. Rise San Antonio will open August 2024 with 2 classrooms, one for one-year-olds, one for two-year olds. Ultimately, we will grow to 10 classrooms for children ages 1-6. One-half of students will be neurodevelopmentally delayed and one-half will be typically developing.

Job Summary: The After-School Caregiver will be responsible for guiding developmentally appropriate play opportunities for children ages 12m-3y who are enrolled in after-school care. The caregiver will be responsible for maintaining a safe and clean play environment, ensuring the safety of all children in his/her care, and communicating with parents as they pick their children up from after-school care. This is a part-time position that provides an opportunity for those who are looking to expand their knowledge base in early childhood and is ideal for anyone who is pursuing an education in child development, special education, education, or a pediatric-adjacent field. The position will entail covering 20-30 hours a week, typically. Applicants must be available from the hours of 1:00pm-5:45pm. Position carries potential to develop into a full-time teaching opportunity as the school expands.

Responsibilities and Duties:

- Provide developmentally appropriate structured and unstructured play opportunities that engage children in a safe, intentional, and educational manner.
- Ensure children are actively engaged in a safe and clean play environment at all times.
- Serve as the contact person for parents who are picking up their children at the end of the day, and thus they should be comfortable with parent communication and demonstrate strong inter-personal skills.

- Responsible for ensuring that all classroom materials and toys are cleaned and stored neatly at the end of the day.
- Track and log supplies to ensure classrooms are fully stocked for next day's operation.
- Maintain open lines of communication with teachers so that there is not a lapse in communication between end-of-day-care and next day's incoming staff.
- Coordinate with teachers to ensure that all children are provided with level of care and supervision that is appropriate for them.
- Ensure that Texas Minimum Standards for Child Care Facilities are being adhered to at all times.

Qualifications and Skills

Qualifications: High school degree and at least two years' experience in a similar position. All applicants must pass a background check.

Preferred: Associates Degree or higher in early childhood education or related field.

Skills Required:

- Excellent interpersonal skills and an enthusiasm for working around and with children.
- Strong sense of initiative in managing the daily workings of the school.
- Previous experience in working with children from infancy to age four.
- Familiarity with Texas Minimum Standards for Childcare Center.
- Must be able to lift and carry 40lbs.
